11 April 2017 - 30 November 2018

This report was drawn up on the basis of information gathered from persons who turned for help to the legal assistance group operating within the Free Citizens of the Republic of Poland (Wolni Obywatele RP) Foundation. It includes only documented cases, among them: interrogations at police stations and at the prosecutors' offices as suspects or witnesses, "fast track" sentences based on claims for punishment prepared by the police, and proceedings conducted based on the regulations of the Petty Offences Code (part I), Penal Code (part II), Hunting Law (part III) and Press Law (part IV).

The summary of this report contains the updated list of court cases, both those that have been finalized, as well as those still pending. The Annex at the end of the Report contains the list of legal regulations on the basis of which charges are formulated against the protesters.

Data is updated on a monthly basis.
